CLAIM SUMMARY

Incident Date: September 8, 2024
Report Date: September 9, 2024
Location: 4521 Maple Drive, Cedar Rapids, IA 52402

INCIDENT DESCRIPTION

On September 8, 2024, a severe thunderstorm with straight-line winds exceeding 75 mph caused significant damage to the insured property. A large oak tree in the backyard was uprooted and fell onto the roof, causing structural damage to the main house. Heavy rainfall following the tree impact resulted in water intrusion affecting the upstairs bedrooms and hallway. Emergency services were contacted at 3:45 PM. The property was inspected by adjuster Rebecca Martinez (ADJ-5587) on September 10, 2024. Temporary roof tarping was completed by ServiceMaster on September 9, 2024 to prevent further water damage.
