WORKERS COMPENSATION CLAIM

Employer: Martinez Construction LLC
Policy Number: WC-3345678
Employee: James Rodriguez (DOB: 03/22/1985)
Job Title: Journeyman Carpenter
Date of Injury: August 5, 2024
Date Reported: August 5, 2024

INJURY DESCRIPTION

On August 5, 2024, at approximately 10:45 AM, the claimant was working on a residential construction project at 2847 Sunrise Boulevard, Phoenix, AZ. While operating a circular saw to cut lumber for roof framing, the saw kicked back, causing the blade to contact the claimant's left hand. The injury resulted in deep lacerations to the left palm and partial amputation of the left index finger at the distal phalanx.

The claimant was wearing required PPE (safety glasses, work boots) but was not wearing cut-resistant gloves at the time of the incident. Site supervisor Miguel Ortiz administered first aid and transported the claimant to Banner University Medical Center Phoenix.
